Google Cloud Academic All-District® Men's Soccer Team Released

The 2018 Google Cloud Academic All-District® Men's Soccer Team, selected by CoSIDA, recognizes the nation's top student-athletes for their combined performances on the field and in the classroom. The Google Cloud Academic All-America® program separately recognizes soccer honorees in four divisions — NCAA Division I, NCAA Division II, NCAA Division III and NAIA.

First-team Academic All-District® honorees advance to the Google Cloud Academic All-America® ballot. First-, second- and third-team (if necessary) Academic All-America® honorees will be announced in early December.

The Google Cloud Academic All-District® teams include the student-athletes listed on the following pages and are divided into eight geographic districts across the United States and Canada.

The Division II and III Google Cloud Academic All-America® programs are partially financially supported by the NCAA Division II and III national governance structures to assist CoSIDA with handling the awards fulfillment aspects for the 2018-19 Divisions II and III Academic All-America® programs. The NAIA Google Cloud Academic All-America® program is partially financially supported through the NAIA national office.
