The following options are available for a student who needs to confirm their Sickle Cell trait status:

1. Obtain a prescription from your healthcare provider and get tested.
2. Access newborn screening results from your birth record through your birth hospital or pediatrician.
3. If born in New York State, request that your current healthcare provider order the test and send a new blood specimen to the Newborn Screening Program for sickle cell testing (see instructions below).
4. Have your current healthcare provider request NYS newborn screening results from the Newborn Screening Program.
